Ladies and Gentlemen:

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors who received the RFP. The statements and interpretations contained in the following responses to questions are not binding on the Maryland Judiciary unless the RFP is expressly amended. Nothing in the Maryland Judiciary's response to these questions is to be construed as agreement to or acceptance by the Maryland Judiciary of any statement or interpretation on the part of the offeror asking the question.

1. Question: Do the subcontracts need to be identified with the submission of the RFP response or with the submission of the PORFP response?

Response: With the PORFP response.

2. Question: Under what conditions or circumstances will the Judiciary request that hardware be returned?

Response: If the equipment is not correct, damaged, does not operate or meet the requirements of the PORFP.

3. Question: Will any acceptance test not exceed 30 days from installation or delivery?

Response: In some cases testing could exceed 30 days. It is always advisable that Master Contractors ask about testing expectations prior to responding to a PORFP.

5. Question: Will the acceptance criteria be defined in the PORFP for hardware not subject to an acceptance test?

Response: If not stated, Master Contractors should ask what the testing expectations are prior to submitting a PORFP.

6. Question: Will the acceptance criteria be defined in the PORFP for hardware that is subject to an acceptance test?

Response: If not stated, Master Contractors should ask what the testing expectations are prior to submitting a PORFP.
